Paris, France

Over three years in marketing and communications, connecting brands with the field: category management and trade marketing at Logitech, social media at CosmétiCar, and influencer relations at Massilia E-consulting.

Experience

Marketing Manager Assistant

Logitech · France

I worked on category management and trade marketing in our top stores: redesigning the computing aisle and rolling out POS displays for product launches and Logi Work Days, with a team of seven merchandisers.

Communications Officer

CosmétiCar · France

I managed Facebook, Instagram and TikTok for this car wash franchise network and trained new franchisees in communications.

Influencer Relations Officer

Massilia E-consulting

I signed French and Spanish influencers and managed relationships with Chinese suppliers at the start of the pandemic.

Projects

Logitech · Category management

Redesigning the computing aisle in top stores

100+ category management solutions rolled out
+30% sales growth in the computing aisle
